The 65th annual Hillsborough Concours d'Elegance took place Sunday, July 18, 2021 at Crystal Springs Golf Course in Burlingame, California. Leslie Milliken shares these photos from the event where a number of Southern California Region members displayed their Classics.

The weekend event included a driving tour through the San Francisco Bay area and tours of private automotive collections. Congratulations to Aaron and Valerie Weiss for the Best of Show award going to their 1937 Horch 853 Gläser Sport Cabriolet.
