

# 2023 LA JOLLA CONCOURS D'ELEGANCE >

APRIL 21-23, 2023

The La Jolla Concours d'Elegance celebrated its 17th anniversary this year with a three-day celebration of the automobile staged at picturesque La Jolla Cove. This location provides plenty of sun, sand and surf making for the ideal backdrop to the 150+ cars on display. All of the net proceeds from this event go to the La Jolla Historical Society.

Duesenberg was a featured marque this year with 19 on hand spanning models A, X and J. Examples from our Region included the Nethercutt Collection's 1933 SJ Rollston Torpedo, aka the "Twenty Grand", the Hilarides' 1935 JN Rollston Berline, aka the Bo Jangles car, Sandy Hansen's 1921 Model A Dual-Cowl Phaeton by Fleetwood, the Snyder's 1934 J Rollston Berline and the Weiss's 1929 J Dual-Cowl Phaeton by Murphy.

Entering multiple Duesenbergs were the Singleton Collection (1930 J Murphy Convertible Sedan and 1935 J Rollston Convertible Coupe), the Auburn-Cord-Duesenberg Museum in Auburn, Indiana (a Model A, a Model X and two Model Js) and the Lyon's family (seven Model Js). Recognized for his unmatched research and expertise of the Duesenberg marque, Randy Ema received the Lifetime Achievement Award.

Preceding Sunday's show was the event gala on Friday and the driving tour on Saturday. Next year's event is slated for April 19-21, 2024. Shown here are selected award winners from this year's event, photos courtesy of Michael and Kate Photography. • >
