

SOUTHERN CALIFORNIA REGION Grand Classic

MAY 4-7, 2023 ■ PASO ROBLES, CALIFORNIA

By now you have read about our May Paso Robles Grand Classic in the Summer issue of *The Classic Car*, how that event came to be and what a success it was. To avoid repetition, presented here are few more photos capturing the essence of the event. It will surely go down in history as one of the most enjoyable events in our Region's 70+ year history.
